

KENDRIYA VIDYALAYA NO 1 AFS PUNE

A Report on the Tree Plantation Drive in the School Campus

Kendriya Vidyalaya No 1 has had long standing tradition of preserving culture of flora and fauna. In order to sensitize students towards the need to preserve our environment and ecology tree plantation drive is organized every year in the Vidyalaya campus.

The morning assembly was addressed by Vice Principal Shri Joshi sir emphasizing the need for today's tree plantation drive to save our eco system and to preserve the environment for the future generations.

One such drive was held on 2nd July 2019, during which trees were planted around the area of school campus.

The School also invited Principals of neighboring Kendriya Vidyalayas. Around 200 saplings were planted in the School area by Principal, Staff, and Students.

Vice Principal Shri Umakant Joshi and many other teachers were present the occasion and they planted numerous trees like tamarind, and Ficus religiosa, neem which are elemental to the ecology.

Teachers were deputed to escort children to the allotted locations for tree plantation and creating awareness regarding the same.

As the city has received sufficient rainfall the process of tree plantation drive was carried out throughout the month of August and September and has developed various corners as per schedule decided.

The students prepared banners, raised slogans to create awareness among the community highlighting the importance of tree plantation to reduce air pollution.

The students and staff participated in the tree plantation drive with great Zeal and enthusiasm and thus made it successful..
